

Oldtimerfreunde Stainz

Tractor rental fees:

Slow down and enjoy the Schilcher region in Western Styria in a very unique way. At a speed of 10 mph you will see the beauty of nature in a different light and you'll remember a single day just like a three days' experience. Unrestricted views are guaranteed, however weather permitting, as all our oldtimer tractors have been carefully and originally refurbished and are therefore 'convertibles'. A valid driving license is required for tractor rental. Weekend packages are available on request.

TOURS:

Half day excursion

Enjoy a pleasant drive through farmlands and meadows along the 'Styrian apple route'. Taste one of our local specialities during a guided tour in a pumpkin seed oil mill and sample delicious scrambled eggs baked in this very special oil. Have a sumptuous bite at a 'Buschenschank' where local cold cuts and drinks are served. Tasting, snacks and drinks as per consumption

Full day excursion

The extended version of the half day tour offers you the choice of a visit to the Reinischkogel, Deutschlandsberg Castle or to Bärnbach, where the church was unconventionally designed by Austria's famous artist F. Hundertwasser. Tasting, snacks and drinks as per consumption
